

## Site Survey + Cookie Policy

This policy sets out how Site Survey Plus Ltd (“we”, “us”, “our”) uses cookies and other similar technologies when you access or use our “Site Survey +” mobile and web-based application and/or our website (www.sitesurveyplus.com) (“our platform”).

Cookies are small text files, usually consisting of letters and numbers, that are stored on your device by websites or mobile applications that you use.

We only use cookies that are strictly necessary for the operation of our platform. They include, for example, cookies that enable you to log into secure areas of our platform and/or to pay for certain services or features available on our platform.

Please note that certain third parties may also use cookies on our platform strictly for the above purposes.

You can find more information about the individual cookies we and certain third parties use and the purposes for which they are used in the table below:

Cookie Name	Purpose
_pclbc_session	This cookie is used to store your user session and enables you to log in to secure areas of our platform.
_stripe_cid and _stripe_mid	<p>These cookies are set on our platform by Stripe, our payment services provider. Stripe uses these cookies to store session and payment data in order to enable you to pay for certain services and features available on our platform.</p> <p>For more information on the cookies that Stripe sets on our platform, please see Stripe’s cookie policy available at: <a href="https://stripe.com/cookies-policy/legal">https://stripe.com/cookies-policy/legal</a>.</p>

You can block cookies by activating the setting on your browser that allows you to refuse the setting of all or some cookies. However, if you use your browser settings to block all cookies (including essential cookies) you may not be able to access all or parts of our platform.
